CABLE TV INSTALLATION AUTHORIZATION

All Seasons, LLC has given _____ authorization to have Cable TV installed by a licensed Cable TV technician as long as NO hardware is attached to the house or any structure that goes with the house (ex: fence, roof, deck, etc.) in anyway. The vendor must utilize the pre existing entry point. If no service has ever been installed by a prior cable company, you have authorization to make one entry point into the building at ground level.. If there is a Home Owners Association (HOA), installation and use must comply with the HOA rules and regulations. Check with your HOA for information.

All cost, expenses and damage resulting from the installation will be the sole responsibility of the tenant.
